

## Business Recovery Seminars

**You are invited to a flood recovery information session specifically designed for flood affected businesses....**

Brisbane Metro Business Enterprise Centre in partnership with the Business Enterprise Centres Australia (BECA) the local Chambers (South West Chamber, Brisbane Inner West Chamber and Centenary Chamber) and the Department of Employment, Economic Development and Innovation (DEEDI) are holding information sessions to help your business during this tough time. Our purpose is to provide businesses such as yours with the right information and contacts during this difficult period. All of the venues below have been donated and will be catered by these businesses and organisations at their own expense to support these important information sessions.

If your business has recently been affected by the recent flood, and you need to find out more about what the Banks, telecommunications, Government departments including QRAA (also CentreLink, ATO, ASIC, DEEDI) are providing to assist business, then this short seminar will provide you with essential information to help get you back into business.
