

What's HOT for Winter

Fashion & Style Colour Forecasts

for the colours and styles you wear and surround yourself with at home, work and play!

Do you find yourself walking into boutiques and straight out again because you found they simply didn't carry colours you like or felt suited you?

Have you ever dreamed of giving your home a makeover just like you see on TV but didn't quite know where to start?

It's not that hard when you know the secrets of the experts!

Anne and Belinda will be sharing their stories and their tips on creating your best life with colour! Your wardrobe and the colours you surround yourself with can be a major influence on your success, your health and your mental state.

Belinda Ross, owner of 'Colour Transformations', is a master of the imagineering process and transforms building interiors and exteriors. She'll get you thinking outside the box, by working on lighting, shape, form and of course your unique colour personality. She'll help you transform not only the room, but how you want to feel in it.
